

How to Create and Access your Realm Account

This is a step-by-step process on how to create and log-in to your Realm account.

For those with an existing Realm account, the sign-in page is located:

<https://onrealm.org/SaintJohnsCathedralDen/SignIn>

The image shows a screenshot of the Saint John's Cathedral website's sign-in page. At the top left is the cathedral's logo, which features a blue silhouette of a figure holding a cross, next to the text "SAINT JOHN'S CATHEDRAL" in a blue, serif font. Below the logo is a white rectangular box with a blue border. Inside this box, the words "Sign In" are written in a large, bold, black font. Underneath, there are two input fields: "Email Address" with the text "SJCGuest@sjcathedral.org" entered, and "Password" with a series of black dots. Below the password field is a blue button with the text "Sign In" in white. At the bottom of the box, there is a blue hyperlink that says "Forgot your password?".

Do consider creating a bookmark of this link in your web browser so that you can access the site in the future. For forgotten passwords, click on the *Forgot your password?* hyperlink. An email will be sent to you with a link to change your password.

For those who have never created a Realm account, registering is easy!

You should have received an invitation email from Saint John's that includes a link to create your account
