PLEDGE CAMPAIGN

ABUNDANTLY FAR MORE

THAN WE CAN ASK OR IMAGINE

-EPHESIANS 3:20-

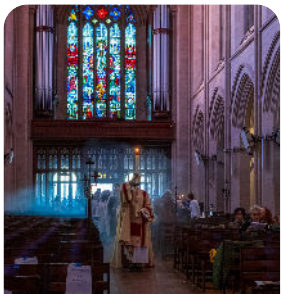

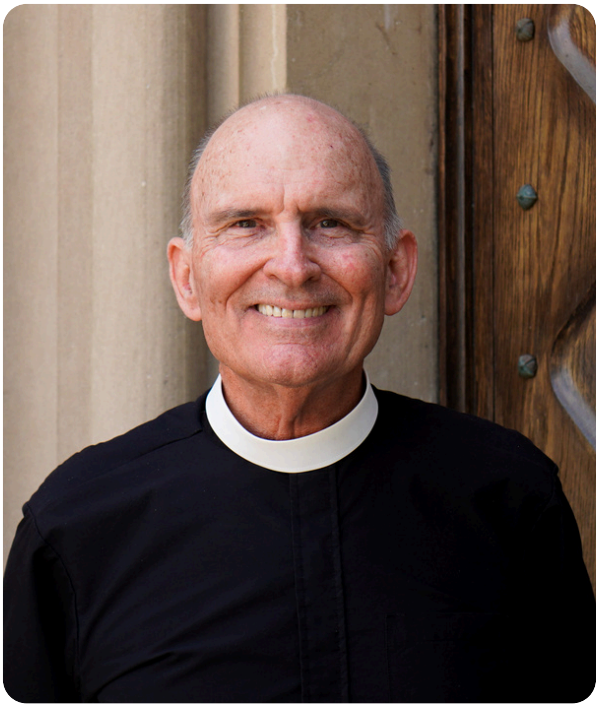

From the Dean:

Our stewardship theme this year, *Abundantly Far More,* draws on the Apostle Paul's vision of a church led by the Holy Spirit and living into the abundance God offers to all of us. In this season of stewardship and during a time of transition, I want to encourage you to reflect on what God might be calling you to give of your treasure that we might accomplish more together than we could "ask or imagine." As you consider your pledge to our church for 2027, ponder these principles for Christian giving:

Give from the heart. Let's reflect on the grace the Lord has lavished on each one of us, then give in response to Christ's demonstrated love. Recall God's words to the Prophet Samuel: 'The LORD doesn't see things the way human beings see them. People judge by outward appearance, but the LORD looks at the heart.' (1 Samuel 16:7)

Give from the first part of our income. We shouldn't survey our monthly income to see what's left over that we can give to God. True, we are all at different stages in our lives. When Kay and I were raising three children, finances were tighter. Regardless of the amount, God asks us to give our first fruits, not our leftovers. The Book of Proverbs states this request in simple terms: 'Honor the Lord with your wealth and with the first and best part of everything you produce.' (Proverbs 3:9)

Get excited about giving. Sharing our wealth with God is a privilege, not a chore. Think about it. Christ invites us to join him in spreading the Good News, the healing of our community, the teaching of our children and friends, and the tending of his church. About this Paul declares, 'Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.' (2 Corinthians 9:7)

When we step out in faith to give our first and best gifts to the Lord, the evidence will not be hidden, because our hearts will catch up with us, and the joy will be written across our faces.

Every Pledge Matters.

What is a pledge?

A pledge to Saint John's represents one of the many ways people support the work and ministry of this parish. A pledge in particular represents a Christian commitment to work, pray, and give for the benefit of the local church. Your pledge is not binding, rather a good faith estimate of what you are able to give for the year.

Why does Saint John's ask for a pledge?

Pledging is our largest source of funding and allows Saint John's to continue to offer the Sacraments and Christian community to more and more people each year. Your pledge allows the vestry to budget for the upcoming year.

What does my pledge support?

Your pledge supports all of ministries from the nursery to pastoral care, from worship and music to Faith in Action. Simply put, the ministries, services, and staff of Saint John's Cathedral wouldn't exist without pledges from faithful people like you.

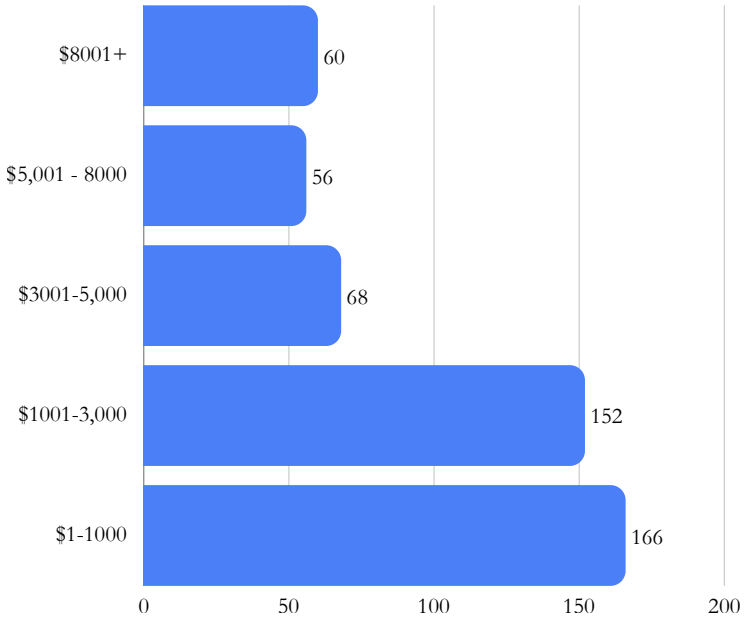

How much should I give?

We ask you to pray first and seek God's invitation. The right amount will be a joyful and generous offering that also feels significant to your specific financial position.

Every Dollar Makes a Difference.
