

SAINT JOHN'S CATHEDRAL

Introduction

The survey showed that our parish is healthy and engaged, with more than two-thirds of parishioners clearly satisfied with how things are today and a majority saying that participation in church activities is very meaningful. These results also reflect what we heard in listening sessions and what we see in our worship. Parishioners also provided clear direction for where we want to be headed.

Parish Priorities

1

Create opportunities for more connection through parish ministries and work to heal those broken by life's circumstances.

2

Further work to reach new people and incorporate them into the life of Saint John's.

3

Strengthen opportunities for people to form meaningful relationships (for example, small groups, nurtured friendships, shared meals, etc).

Who Responded

633 members completed the survey ranging in age from **19** to **65+**

35% of respondents have attended for **20+** years

Diverse representation from all **3** services + **livestream**
